## WELCOME MESSAGE

Dear Colleagues,

On behalf of the Organizing Committee and the Congress' Co-Chairpersons we cordially invite you to join and contribute to the success of the 19th World **Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI)** on February 20-23, 2014 in Macau.

COGI Macau Congress is a continuous success of previous editions of The COGI Congress in Shanghai, Beijing and Hainan which attracted more than 800 participants in each of the editions.

COGI Macau is a dedicated event for the 3 main stream of our field Infertility, Gynecology and Perinatology and aims to offer professionals in the field a multidisciplinary platform to learn more about women's health, gynecological oncology, clinical research and new discoveries.

The aim of the COGI Congresses in general is to increase the abilities to discuss controversial topics with emphasis on clinical solutions in cases where no agreed-upon answers or consensus exist. To provide clinicians issues with an insight and a take-home message that ameliorates treatment in the most difficult situations and to enable exchange of ideas and information among members of various countries.

We are looking forward to welcoming you in Macau  
Sincerely,

Prof. Zion Ben Rafael  
COGI Founder and Congress Co-Chairpersons
